

MESSAGE FROM THE FOOTSTEPS TEAM

31st March 2020

Hi Kids ,

Even though we are not together we are still thinking of you all lots.

We have been putting together some ideas for you to do at home whilst we are in isolation.

The first thing is an Easter Garden - why don't you have a go at making one and send the picture to us. (we have sent some instructions to you).

We also thought you might like to make Easter bonnets or hats and send these to us to look at and share with each other.

We have been sent some links for things and sites you might want to look at they are not all for children/ young people.

A friend posted this idea

We've started a new thing in our house today and sharing it in case anyone else wants to try. Every time we wish we could do something, go somewhere, treat ourselves, see someone we love, visit a new place, invite people to visit us, we're going to write it down on a post it note and put it in a jar. When all this is over this will be our bucket list and we'll work our way through the jar and be more grateful than ever for the little and lovely things in our lives. Until then we'll enjoy watching the jar fill up with magical things to look forward to.
