## Amazing Fact

Children in the Philippines have a traditional Christmas lantern. The lantern is made from paper and bamboo and is used to remember the star of Bethlehem. The lanterns are sold in markets at Christmas time.

## Challenge

Can you find all of the Christmas traditions in the word search?

You could also try to find out:

- which country has Christmas picnics;
- which countries decorate Christmas trees;
- how many different names Father Christmas has;
- which countries decorate their houses during the festive season.
