

This week we light three candles on the advent wreath. Colour the picture and add three flames.

 The angels brought news of great joy for all people. What makes you feel joyful?

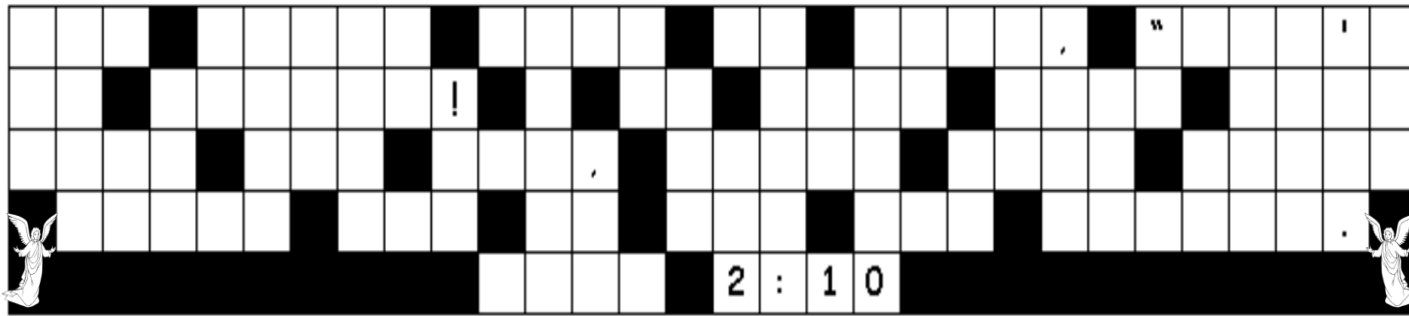

The 3rd candle of Advent is for joy. It is the "Shepherd's Candle", reminding us that Jesus brings joy to the world.

 Which angel goes to visit the shepherds?

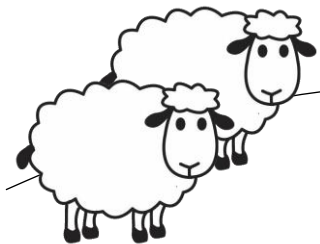

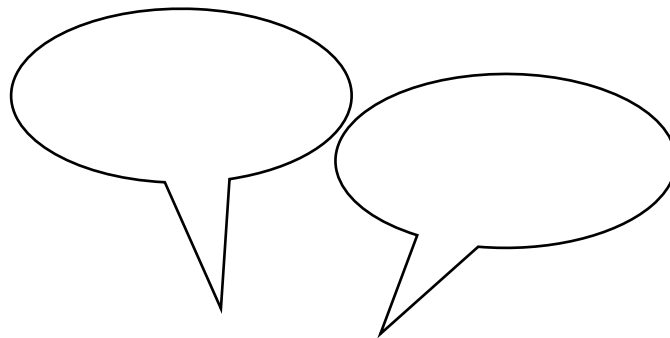

The angel who spoke to the shepherds had good news, but we cannot read it because all the letters have fallen out of the grid. Can you put the letters back into the boxes above them?

When the shepherds saw the angel, they were very frightened. The angel said he had good news, then lots more angels appeared and sang praise to God.

Use the space below to draw the shepherds and the angels. What do you think they are saying?

How many angels can you find hiding in these pages?
