NOTICES

NEW DIRECTOR OF MUSIC - A very warm welcome to Philip Collin who has started this week as Director of Music here at St John's. Philip and his family will be involved in church life, and we look forward to welcoming them to our church family. On behalf of everyone here at St John's we warmly welcome you.

CHURCH BUILDING – NEW RISK ASSESSMENT FOR CHURCH – now that we are in stage 4 of the recovery plan, we have revised our guidelines for the church. The main difference is that we have removed social distancing in the middle of the church (side aisles are still socially distanced), and masks are not compulsory. Our guidance is that you wear a mask whilst moving around in church and singing. Sanitiser will be available, and Communion will take place without wine. We hope to review these guidelines again in September before the choirs return fully. We understand that some people are still shielding and may not feel ready to return to the church building and we will continue to broadcast on ZOOM and Facebook live each week for the morning service. We have now reverted to our regular service pattern – [please see the church website](#).

JOINING WORSHIP FROM HOME – The Sunday morning services will continue to be in Church, on Zoom and Facebook live until Harvest Sunday on the 26th September. After then the morning service take place in church and will be broadcast on Facebook live only. Our Sunday evening services are open to all in Church and will be broadcast on Facebook live only from the beginning of September. Joining on Facebook Live is easy. A new link will be launched soon which hopefully will mean it's the same link each week, which will make it easier. More details to follow.

DECORATING THE CHURCH FOR HARVEST FESTIVAL- We will be decorating the church with

flowers for Harvest on Saturday 25th September from 9.45am – 11.45am. We usually make arrangements for the windowsills, the font, the church porch and pedestals at the front of church, so we need lots of arrangers! The theme for harvest this year is 'Nature', so we are asking for an autumnal arrangement on the windowsills to which we will add some additional information about some of our most endangered species. If you would prefer to do an arrangement at home and bring it to church, we will be happy to accommodate that. We are able to provide a dish and oasis if you need it. Please get in touch by phone or email. We would also like to recruit

some more people to help us with the flowers. If you are new to flower arranging and are interested in learning, we are a very friendly group and we'd gladly give you help and encouragement on the day or perhaps you might like to just come along and watch the arrangements take shape! If you would like to help or be involved, please could you get in touch with me. Thank you. I look forward to hearing from you.
