

Tantum ergo sacramentum  
veneremur cernui,  
et antiquum documentum  
novo cedat ritui;  
praestet fides supplementum  
sensuum defectui.

Genitori Genitoque  
laus et iubilatio,  
salus, honor, virtus quoque  
sit et benedictio;  
procedenti ab utroque  
compar sit laudatio.  
Amen.

Therefore so great a Sacrament  
Let us fall down and worship,  
And let the old law  
Give way to a new rite,  
And let faith stand forward  
To make good the defects of  
sense.

To the Father and the Son  
Be praise and joy,  
Health, honour and virtue  
And blessing,  
And to him proceeding from both  
Be equal praise.  
Amen.
