

# ST JOHN'S CHURCH, RANMOOR

## The Inspire Project – Consulting our Community

St John's Church, Ranmoor is a Sheffield landmark and has the tallest church spire in the city. However, we have recently discovered that our spire is in desperate need of repair. Whilst undertaking the spire repairs, we are considering making some other changes to our building. We would like to transform our church into a space where many more activities can take place, opening it up to the community and giving more people reasons to come in.

To help inform our plans, we would like to hear from you. Surveys should be completed by an adult; however, we would encourage you to capture feedback from the whole household. All completed surveys will be put into a prize draw to win a £50 wine voucher for local winery StarmoreBoss. Completed surveys should be returned to the Parish Office by the end of May or you can access an online version of the survey using the QR code here or visit our website [www.stjohnsranmoor.org.uk/buildingsurvey](http://www.stjohnsranmoor.org.uk/buildingsurvey)
