Diocese of Sheffield Environmental Projects Team is looking for participants for a pilot course in Sheffield. This is an opportunity to receive free, accredited training. The course has been developed by the Church of England in partnership with the Carbon Literacy Project and is an interesting and interactive day of group learning. At the end of the course you will have the opportunity to apply for a Certificate of Carbon Literacy. Saturday 24th June, St John's Ranmoor (Church Building) 10am-5pm + 2 hours of (gentle!) pre-prep work. The event is free and drinks and cake will be provided but please bring your own lunch. To book a place or for further information, please contact Sally at [environment.admin@sheffield.anglican.org](mailto:environment.admin@sheffield.anglican.org) by 23rd May.

We would like to give a big thank you to everyone who helped make the week such a success - performers, cooks, helpers, those who delivered and collected, cyclists and walkers, and all who made donations. It was good to see so many people together for the events, and we hope we can build on this for the future. We do not yet have a final figure but it looks as though we are past the £3000 mark. We would like to thank and congratulate Peter Lowe, whose bike ride from Land's End to John O'Groats raised, for Christians Aid, £1270 (at the last count, and which is not included in the above figure), and also over £1500 for the Alzheimer's Society. Janet, Malcolm and Pauline.
