FLORAL DECORATIONS IN CHURCH FOR HARVEST FESTIVAL - For this year's Harvest Festival we will be decorating the church with autumnal flowers, fruit and vegetables on Friday 22nd September at 9.45am and we'd warmly welcome your help! To minimise our environmental impact we will create the arrangements for the font, in the porch and on the windowsills without the use of floral foam (Oasis). If you are new to flower arranging and are interested in learning we are a very friendly group of people and we'd gladly give you help and encouragement on the day or perhaps you might like to just come along and watch the arrangements take shape! We would also love to recruit some more people to help us with the flowers throughout the year!

If you would like to help or be involved, please could you get in touch with us. Thank you. We look forward to hearing from you.
