SCISSORS PAPER STONE What is the number of your pew? 120 years ago, that number would have been paid for. Read the latest blog to learn about the cutlers and other metal manufacturers who rented the pews they sat in. Why was the vicar supported from the money paid for the privilege of sitting in a rented pew? And what would we have done without James William Harrison? The latest Blog is available to read at the back of Church or on our [website](#)

Sacred Stones fortnight- We are opening the church for Margaret Bennett's art exhibition and for a series of events during two weeks mid-June: 15-29th.

We are looking for offers of bakers and people to welcome visitors during those two weeks (Tuesday to Friday, 3-6pm) and during the day of Saturday 29th (10-4pm). This will be a wonderful opportunity to let the community experience the beautiful building in which we worship and for children to take part in the activities we are organising. Many thanks for any offers of help, Mary Grover. Please contact on 07966 501612 or mkg0401@aol.com
