Throughout the two weeks you will be able to see the video of the masons' marks in our church roof. This has been made by Brendan Sloan and James Stone, under the guidance of Mark Gregory.

**The church will also be open by appointment to neighbouring schools.**

Refreshments will be available throughout the fortnight.

Do hope you will be able to join us.

**Scissors Paper Stone Blog post** - In the latest Blog - The Spire is discussed. Our Spire makes its mark on the City of Sheffield. Yet as we know now, it is the spire that is the buildings greatest weakness. The blog explores the design and construction of the spire.

## Come and Explore

**Saturday 29th June**

Join us for our open day for families to explore their local heritage.  
We'll have children's activities exploring the contribution of the  
craftsmen that built this outstanding building.

*Refreshments will be available.*

### NEW Children's Trail

A self-guided trail, available throughout the day. Explore the treasures  
of this Victorian church and the lives of the people who created them.

### Making your Mark Children's Workshop

At 2pm there is a craft workshop, led by trained children's workers and  
artists. Like the stone masons who carved their personal signs, initials  
or even full names in the roof of our church, your children will have the  
opportunity of creating their own 'marks' on tablets of clay. They will  
also be able to create their own Green Man. Green Men were images of  
wild woodland creatures, hidden by medieval masons in the foliage  
they carved throughout England's churches. Find the Green Man  
created by our Victorian masons.
