

<p>Tantum ergo sacramentum veneremur cernui, et antiquum documentum novo cedat ritui; praestet fides supplementum sensuum defectui.</p> <p>Genitori Genitoque laus et iubilatio, salus, honor, virtus quoque sit et benedictio; procedenti ab utroque compar sit laudatio. Amen.</p>	<p>Therefore so great a Sacrament Let us fall down and worship, And let the old law Give way to a new rite, And let faith stand forward To make good the defects of sense.</p> <p>To the Father and the Son Be praise and joy, Health, honour and virtue And blessing, And to him proceeding from both Be equal praise. Amen.</p>
