

Here in this place new light is streaming  
Now is the darkness vanished away  
See in this space our fears and our dreamings  
Brought here to you in the light of this day  
Gather us in, the lost and forsaken  
Gather us in, the blind and the lame  
Call to us now and we shall awaken  
We shall arise at the sound of our name.

We are the young, our lives are a mystery  
We are the old who yearn for your face  
We have been sung throughout all of history  
Called to be light to the whole human race  
Gather us in, the rich and the haughty  
Gather us in, the proud and the strong  
Give us a heart so meek and so lowly  
Give us the courage to enter the song

Here we will take the wine and the water  
Here we will take the bread of new birth  
Here you shall call your sons and your daughters  
Call us anew to be salt for the earth  
Give us to drink the wine of compassion  
Give us to eat the bread that is you  
Nourish us well and teach us to fashion  
Lives that are holy and hearts that are true

Not in the dark of buildings confining  
Not in some heaven light years away  
But here in this place the new light is shining  
Now is the kingdom, now is the day  
Gather us in and hold us forever  
Gather us in and make us your own  
Gather us in, all peoples together  
Fire of love in our flesh and our bones  
Fire of love in our flesh and our bones
